Instructions

For the Chicken

- Season the chicken thighs all over with the seasonings.
6 Chicken Thighs, 1 teaspoon Dried Oregano, ½ teaspoon Dried Thyme, 1 ½ teaspoons Paprika, 1 ¼ teaspoon Garlic Powder, ½ teaspoon Kosher Salt, ¼ teaspoon Red Pepper Flakes
- Heat a cast-iron skillet over medium high heat. Add 2 Tablespoons of olive oil. Add chicken thighs, top down and turn the heat down to medium. Cook the chicken for 5 minutes on one side, watching for signs of over browning, reduce heat to low-medium if needed. (Refer to our post on **how to cook chicken** in a pan for the easiest way to know if the chicken is cooked without cutting into it or a thermometer.)
2 Tablespoons Olive Oil

3. Flip the chicken over, reduce heat to medium-low, and cook for about 5 more minutes until cooked through, 165 degrees internal temperature.
4. Remove the chicken from the skillet to a plate to rest.

Make the Rice

1. Add a drizzle of olive oil to the pan. Add **half** of the halved grape tomatoes, garlic, turmeric, and oregano, and ½ - 1 teaspoon of salt. Cook the tomatoes on medium heat for about 2 minutes until beginning to soften and burst.
1-2 Tablespoons Olive Oil, 1 Cup Grape Tomatoes, 6 Cloves Garlic, 1 teaspoon Dried Oregano, ¼ teaspoon Salt, ½ teaspoon Turmeric
2. Stir in the fresh spinach, cooked rice, sun dried tomatoes, zest and freshly squeezed lemon juice as well as the remaining uncooked halved grape tomatoes. Increase the heat to medium heat, stirring to combine. If the pan looks dry, drizzle in a little oil. While cooking, move onto the topping.
1 ½ Cups Spinach, ½ Cup Sun-Dried Tomatoes, 2 Lemons, ¼ - ⅓ Cup Freshly Squeezed Lemon Juice,
2 ½ Cups Cooked Basmati or Jasmine Rice, 1 Cup Grape Tomatoes

Prepare the Topping

1. Meanwhile, in a medium bowl, combine the feta with 1 Tablespoon of extra virgin olive oil, 1 Tablespoon of freshly squeezed lemon juice, oregano, dill, and parsley and the olives. Gently toss to coat.
6 oz Feta Cheese, 1 Tablespoon Extra Virgin Olive Oil, 1 Tablespoon Fresh Oregano, 2 teaspoons Fresh Dill,
1 Tablespoon Fresh Parsley, ⅓ Cup Kalamata Olives, Pepper, 1 Tablespoon Freshly Squeezed Lemon Juice
2. Mix half of the feta mixture into the skillet with lemon rice. Slice the chicken on a cutting board and arrange on top of the entire mixture. Allow to heat with a lid on for about 2 minutes.
3. Top with the remaining feta mixture and sprinkle fresh herbs on top as garnish.
6 oz Feta Cheese

Notes

Bring 1 ¼ - 1 ½ cups of water to boil in a saucepan. Add the rice along with some salt and stir. Place the lid on and turn down to a simmer for 15 minutes or until tender.

This will yield approximately 2 ¼ - 2 ½ cups of rice.
